BULLETIN NO. 85-10

TO THE HEADS OF EXECUTIVE DEPARTMENTS AND AGENCIES

SUBJECT: Information on Voluntary Contributions to  
International Organizations

1. Purpose. This Bulletin provides instructions for the preparation of information for a semiannual report to the Congress listing all voluntary contributions to international organizations by all agencies of the United States Government.

2. Background and Authority. Section 306(b)(1) of the Foreign Assistance Act of 1961, as amended, (see Attachment A) requires the President to transmit to the Congress semiannual reports listing all voluntary contributions, cash and in kind, by the United States Government to international organizations. Section 306(b)(2) requires that agencies making such contributions provide information on them to the Office of Management and Budget. Section 306(b) was enacted in 1980, and agencies have reported under this requirement previously. This Bulletin continues the reporting requirement and provides the necessary instructions.

3. Coverage. This Bulletin applies to all Federal agencies, including those of the Legislative and Judicial Branches.

4. Definitions. For the purposes of this Bulletin, the following definitions apply:

(a) Voluntary contribution means contribution of any kind that is not assessed under a binding international agreement including the furnishing of funds or other financial support, services of any kind (including the use of experts or other personnel), or commodities, equipment, supplies, or other material.

(b) International organization means any public international organization that is composed principally of governments.
